

Pump releases agreed-upon procedures report for the City of Allison

ALLISON — Larry Pump, CFA, Charles City, released an agreed-upon procedures report on the City of Allison for the period July 1, 2023 through June 30, 2024. The agreed-upon procedures engagement was performed pursuant to Chapter 11.6 of the Code of Iowa.

Pump, CPA, reported 11 findings related to the receipt and disbursement of taxpayer funds. They are found on pages five through seven of this report. The findings address issues such as a lack of segregation of duties, disbursements exceeding budgeted amounts, business transactions, financial condition, general ledger posting, investment control, annual urban renewal report, post-dated

checks, bank reconciliations, management financial information and tax increment financing. Pump provided the City with recommendations to address each of the findings.

Six of the 11 findings above are repeated from the prior year. The City Council has a fiduciary responsibility to provide oversight of the City's operations and financial transactions. Oversight is typically defined as the "watchful and responsible care" a governing body exercises in its fiduciary capacity.

A copy of the agreed-upon procedures report is available for review on the Auditor of State's website at <https://auditor.iowa.gov/audit-reports>.
