Spot rock was hauled to the north central maintainer district.

The total patcher was out working to repair roadway pot-holes.

A Buckingham truck was loaded with scrap steel from the yard for disposal.

Treasurer Debra Cannon met with the Board to review the March month end report for her department. The Board moved forward with approval.

Auditor Amanda Waske met with the Board to review a proposed resolution concerning attorney fees for indigent persons in substance abuse commitment cases and in guardianship and/or conservatorship cases. The Board moved forward with approval of setting the rates as set forth in the resolution below.

Auditor Waske presented, on behalf of Public Health Director Becky Fletcher, an update in well-plugging reimbursement. Well plugging will now reimburse expenses up to \$800 and cistern plugging will now reimburse up to \$500. Fletcher all requested the county host a demonstration on the process for well-plugging. There is currently a well on the courthouse lawn that could be used as a demonstration site with Environmental Health Sanitarian Jason Smith overseeing the demonstration. The Board elected to table this at this time.

Auditor Waske reviewed the March month end report for her department. The Board moved forward with approval.

The Board reviewed claims to be paid Wednesday, April 17, 2024, and moved forward with approval.

Veterans Affairs Commissioner Cathy Kilgore met with the Board to request Director

Hannah Saville move from part-time to full-time employment status. Kilgore explained she would like to step back and hand over some of the duties to Saville as she becomes more familiar with the position, which in turn requires additional hours to complete the work. The Board is going to take time to consider this, evaluate the budget and report back to the Commission.

The Board recessed at noon for lunch. Holmes excused himself from the remainder of the meeting.

The Board returned to session at 1 p.m.

Brianna Dillavou Community Broadband Action Network (CBAN) met with the Board to explain the services provided. Jodie Geist with the Development Corporation was also present. CBAN offers grant funding to community-based groups to assist with digital navigation services through the Southern Iowa Digital Navigator Program. The Southern Iowa Digital Navigator Program provides tech support through digital skills training, free devices and assistance with affordable home internet. Geist asked how many residents have received services to date. Dillavou replied fourteen have been assisted. Geist questioned if there could be a monthly calendar of hours available to those in Ringgold County. Dillavou stated she is happy to put together a schedule at a set time/location to provide services. Geist stated the Mount Ayr Public Library would be a good partner. The Board stated she is welcome to set up a mobile office in the Supervisors office at the Courthouse. Dillavou coordinated with Auditor Waske to have office hours scheduled every other Thursday from 10 a.m. – 12 p.m. beginning May 2nd. It was reiterated that all these services are completely free to residents as it is funded through a grant. Auditor Waske went on to suggest providing marketing information to the Tingley Meal Site program and the Mount Ayr Senior Center.
