She reviewed progress on the district's four key initiatives for 2025–2026, including the SIAC meeting on November 5 to begin work on the district's mission and vision, academic goal-setting through BLT meetings, ongoing efforts to reduce chronic absenteeism, and continued implementation of Teach to Heal. Employee costs remain within normal ranges at 75.5% of General Fund expenditures, and the district's unspent balance ratio remains healthy at 19.33%.
