Without public notices, how would you know?

A hidden notice is no notice at all.
Public notices in our newspaper let everyone know what is happening that might affect them.
Legislators in Iowa understand an informed citizenry is the core of our democracy. "Let the people know the facts, and the country will be safe," is how Abraham Lincoln put it.
Improving legislative intent
Since knowing is so important, we joined the other newspapers in Iowa and also publish our public notices online at www.iowanotices.org.
You can quickly find notices about things that might affect you no matter where they are printed.
All notices, in one location, at no cost to you. It is a public service to our readers because we believe in democracy just like our legislators.
