RESOLUTION 5-19-2025A

WHEREAS, The Tama County Board of Supervisors wishes to enact a moratorium effective immediately upon passage on the development and construction of Community Solar, and the application for permits relating to such development and construction of Community Solar, for an indefinite amount of time, to allow Tama County to review and update the language as necessary in the Tama County Zoning Ordinance and to incorporate the information and concerns that have arisen through the public meetings held by the Zoning Commission, relating to such matters;
