Public Notices

Electronically submitted bids will be received by the City of West Des Moines, City Clerk's Office at wdm.ionwave.net until 2:00 p.m. on August 6, 2025 for the following described public improvement: **VALLEY VIEW AQUATIC CENTER – PUMP PIT REPAIRS**
WEST DES MOINES, IOWA PROJECT NO. 0510-025-2025
At the above time all bids received by the City will be electronically unsealed and made public at wdm.ionwave.net with the results being reported to the West Des Moines City Council at their meeting on August 18, 2025 at 5:35 p.m. at which time the Council may take action on the proposals submitted or at such time as may then be fixed.
The City Council of West Des Moines, Iowa, will hold a public hearing on the proposed Plans, Specifications, Form of Contract, and Estimate of Costs for the construction of improvements located at 255 81st Street, repairs for the south, center, and northeast pump pits serving the Lazy River, the pump pit for the Water Slide Plunge Area, and the pump pit for the Drop Slides located in the diving area of the Lap Pool. Repairs to include valve replacement, piping & fitting replacement, pump & base replacement, fiberglass grating replacement, addition of sump pumps, addition of exhaust systems, and addition of leak detection monitoring systems.
A pre-bid meeting will be held on Tuesday July 29, 2025 at 10:30 a.m. at the Valley View Aquatic Center located at 255 81st Street. The kinds of materials, estimated quantities, and work to be done for the project on which bids will be received are shown on the bid proposal for said project.
All work is to be done in strict compliance with the Plans and Specifications prepared by Waters Edge Aquatic Design which have been heretofore approved by the City Council and which are now on file for public examination in the office of the City Clerk.
All bids shall be made on the form furnished by the City through wdm.ionwave.net and shall be filed on or before the time specified above. Each proposal shall be electronically accompanied by a scanned copy of the bid bond or a scanned copy of a cashier's or certified check drawn on an Iowa bank or a bank chartered under the laws of the United States in an amount equal to ten percent (10%) of the total amount of the bid. If a bid bond is submitted it must be on the form provided with the contract documents. A physical copy of the bid security will be required to be submitted to the City Clerk's Office by the apparent low bidder within 48 hours of the bid deadline.

Public Notices

The bid security submitted should be made payable to the City of West Des Moines, Iowa, and not contain any conditions either in the body or as an endorsement thereto. This bid security is provided to the City of West Des Moines as security that if the bidder is awarded the contract by the City, the bidder will enter into a contract on the form provided by the City at prices bid and shall furnish the required performance and payment bond to the City. If the bidder fails to execute the contract or to furnish an acceptable performance and payment bond or provide a Certificate of Insurance within ten (10) days after acceptance of the bid by the City, the bid security may be forfeited or cashed by the City as liquidated damages.
The successful bidder will be required to furnish a performance and payment bond in the amount of one hundred percent (100%) of the contract price guaranteeing faithful performance of the contract and guaranteeing payment to all persons supplying labor and/or materials in the execution of the work provided for in the contract. Additionally the contractor must provide the City with a guarantee of maintenance of said improvement in the form of surety for a period of one (1) year from the time of acceptance by the City. By virtue of statutory authority preference will be given to products and provisions grown and coal produced within the State of Iowa and to Iowa domestic labor.
In accordance with Iowa statutes, a resident bidder shall be allowed a preference as against a nonresident bidder from a state or foreign country if that state or foreign country gives or requires any preference to bidders from that state or foreign country, including but not limited to any preference to bidders, the imposition of any type of labor force preference, or any other form of preferential treatment to bidders or laborers from that state or foreign country. The preference allowed shall be equal to the preference given or required by the state or foreign country in which the nonresident bidder is a resident. In the instance of a resident labor force preference, a nonresident bidder shall apply the same or resident labor force preference to a public improvement in this state as would be required in the construction of a public improvement by the state or foreign country in which the nonresident bidder is a resident. Failure to submit a fully completed Bidder Status Form with the bid may result in the bid being deemed nonresponsive and rejected.
If it is determined that adherence to these Iowa statutory requirements may cause denial of federal funds which would otherwise be available for a public improvement, or would otherwise be inconsistent with requirements of any federal law or regulation, the application of Iowa Code Chapters 73 and 73A shall be suspended to the extent necessary to prevent denial of the funds or to eliminate the inconsistency with federal requirements. Work on said project shall commence within ten (10) days of the written notice to proceed and shall be completed by March 31, 2026. Liquidated damages in the amount of Five Hundred dollars (\$500.00) per day will be assessed for each day that the work remains uncompleted after the end of the contract period. Payment for the work will be made by the City in cash from such funds as may be legally available including cash on hand, proceeds from

the sale and issuance of General Obligation Bonds and such other funds including the proceeds from the sale and issuance of such other bonds as may lawfully be issued as the City Council may at its sole discretion determine and provide. Payment will be made to the contractor based on monthly estimates in amounts equal to ninety-seven (97%) percent of the contract value of the work completed during the preceding calendar month, and will be based upon an estimate prepared by the Contractor on the first day of the month, subject to the approval of the Engineer. Any such payment by the City shall in no way be construed as an act of acceptance for any part of the work partially or totally completed. Final payment by the City will be made in accordance with Iowa statutes and the contract documents.
Bidding forms, copies of Plans and Specifications and contract documents may be obtained from the online bid posting at wdm.ionwave.net. If any bidder needs assistance in registering within wdm.ionwave.net or anything associated with the submittal of an electronic bid, please contact the City Clerk's Office at 515-222-3600 or Ryan.Jacobson@wdm.iowa.gov. The City reserves the right to reject any and/or all technicalities and/or all irregularities.

THE WORLD'S LIGHTEST WHEELCHAIR

For those of us—or our loved ones—who are finding our mobility slowing down and may need the use of a wheelchair, there's a remarkable breakthrough that's changing lives. The **Featherweight Wheelchair**, weighing just **13 pounds***, is nothing like the bulky, heavy models of the past that can weigh over 35 pounds. Imagine lifting your wheelchair in and out of a car without straining your back, gliding effortlessly through your garden, joining your family at the park, or going for a medical checkup, without the worry of fatigue. Why not take the first step toward renewed independence with this ultra-lightweight innovation?

In recent years, we've seen great advancements in mobility aids—from canes and walkers to rollators and scooters—all designed to help people stay active and independent. But until now, there hasn't been a truly revolutionary wheelchair. That's changed thanks to a team of engineers who've created something extraordinary: the **world's lightest wheelchair**, weighing only **13.5 pounds**. Aptly named the **Featherweight Wheelchair**, this breakthrough has already been called a game-changer by those who use it.

The first thing you'll notice about the Featherweight is just how incredibly light it is. At only 13.5 pounds, it's easy for just about anyone to lift into a car, store at home, or take on the go. It's not only lightweight but also strong, stylish, and easy to maneuver. **The lighter the chair, the easier it is to push, propel, and lift.** With its sleek design and custom color options, the Featherweight Wheelchair isn't just practical—it's something you'll feel good about using every day.

★★★★★ **Lightweight Wheelchair**

It's so light weight that it's no problem to lift in and out of the back of my car. It's also easy to set up and collapse down. It is very compact and the wheels come off for compact packing alongside luggage or groceries etc. My Mom finds it very comfortable to ride in as well and enjoys the look. We both love it.
