PUBLIC NOTICE

Emmet County will have a contractor start spraying noxious weeds along the county road right-of-way sometime around May 12, 2025.

Residents who do not want their roadside sprayed must complete the No Spray Permit. Signs must conform to the "DO NOT SPRAY" signs available at the Emmet County Engineer's Office (at a cost of \$3) and erect them on their property where spraying should be omitted.

The contractor does not spray directly in front of any rural residence that is being maintained, so signs are not needed at these locations; however, the contractor does spray the ROW directly across from rural residences unless notified otherwise. If you are concerned about spray drift carrying across the road to your residence, you need to post signs on the ROW opposite your residence.

To obtain the signs, the resident must fill out an application which states that they will control the noxious weeds at the sign locations. Applications should be completed annually.

Sign-up must be done by May 7, 2025 in the Emmet County Engineer's Office. Email afisher@emmetcountyiowa.gov with questions or for an application.
