

of this line is in the Northwest Quarter of Section 7, T-94N, R-23W of the 5th P.M., Hancock County, Iowa.

The west terminus of this line is the Corn Belt Power Cooperative Galbraith substation, located in the Southeast Quarter of the Southwest Quarter of Section 4, T-94N, R-28W. The west endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, at the east boundary of the Corn Belt Power Cooperative Galbraith substation property, located approximately 260 feet north and 700 feet west of the South Quarter Corner of said Section 4, T-94N, R-28W. Thence southeast, on private right of way, across the Southeast Quarter of the Southwest Quarter of Section 4, T-94N, R-28W, to a point on private right of way, along the north boundary of County Highway B58/150th Street, located approximately 51 feet north and 435 feet west of the South Quarter Corner of said Section 4, T-94N, R-28W; approximately **0.07 mile**.

Thence east, on private right of way, along the north boundary of County Highway B58/150th Street, along the south lines of Sections 4 & 3, T-94N, R-28W, crossing the Union Pacific Railroad private right of way and the public road right of way of County Highway P56/160th Avenue, to a point on private right of way, along the east boundary of said County Highway P56/160th Avenue, located approximately 51 feet north and 51 feet east of the Southwest Corner of said Section 3, T-94N, R-28W; approximately **0.59 mile**.

Thence south, on private right of way, along the east boundary of County Highway P56/160th Avenue, along the west lines of Sections 3 & 10, T-94N, R-28W, crossing the public road right of way of County Highway B58/150th Street, to a point on private right of way, along the east boundary of said County Highway P56/160th Avenue, located approximately 51 feet east of the West Quarter Corner of said Section 10, T-94N, R-28W; approximately **0.50 mile**.

Thence east, on private right of way, along the east-west center lines of Sections 10, 11 & 12, T-94N, R-28W and Sections 7, 8, 9, 10, 11 & 12, T-94N, R-27W, crossing the public road right of way of 170th Avenue, the Drainage Ditch No. 116, the public road rights of way of 180th Avenue, County Highway P60/190th Avenue, 200th Avenue, the Prairie Creek, the public road rights of way of 210th Avenue, County Highway P66/220th Avenue, 230th Avenue and 240th Avenue, to a point on private right of way, at the Center Quarter Corner of said Section 12, T-94N, R-27N; approximately **8.47 miles**.

Thence east-northeasterly, on private right of way, across the Southwest Quarter of the Northeast Quarter of Section 12, T-94N, R-27N, to a point on private right of way, located approximately 135 feet north and 17 feet west of the Southeast Corner of Southwest Quarter of the Northeast Quarter of said Section 12, T-94N, R-27N; approximately **0.25 mile**. Thence east, on private right of way, across the Southwest Quarter and the Southeast Quarter of the Northeast Quarter of Section 12, T-94N, R-27N, to a point on private right of way, along the east boundary of State Highway 17/250th Avenue/Ames Avenue, located approximately 140 feet north and 63 feet west of the East Quarter Corner of said Section 12, T-94N, R-27N; approximately **0.24 mile**.

Thence east-northeasterly, in public right of way, across the Southeast Quarter of the Northeast Quarter of Section 12, T-94N, R-27N, to the center of State Highway 17/250th Avenue/Ames Avenue, being the Kossuth-Hancock County Line, and there ending, approximately 150 feet north of the East Quarter Corner of said Section 12, T-94N, R-27N; approximately **0.01 mile**.

The east endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, in public right of way, at the center of State Highway 17/250th Avenue/Ames Avenue, being the Kossuth-Hancock County Line, located approximately 150 feet north of the East Quarter Corner of Section 12, T-94N, R-27W. The east terminus of this line is the Corn Belt Power Cooperative Klemme substation, located in the Northeast Quarter of the Northwest Quarter of Section 7, T-94N, R-23W of the 5th P.M., Hancock County, Iowa.

The total distance of this 69,000 Volts line is approximately 10.13 miles.

GALBRAITH - HUMBOLDT
The north endpoint of this line is in the Southwest Quarter of Section 4, T-94N, R-28W of the 5th P.M., Kossuth County, Iowa; and the north terminus of this line is in the Southwest Quarter of Section 4, T-94N, R-28W of the 5th P.M., Kossuth County, Iowa.

The south endpoint of this line is at the South Quarter Corner of Section 33, T-94N, R-28W of the 5th P.M., Kossuth County, Iowa; and the south terminus of this line is in the Southeast Quarter of Section 19, T-91N, R-28W of the 5th P.M., Humboldt County, Iowa. The north terminus of this line is the Corn Belt Power Cooperative Galbraith substation, located in the Southeast Quarter of the Southwest Quarter of Section 4, T-94N, R-28W. The north endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, at the west boundary of the Corn Belt Power Cooperative Galbraith substation property, located approximately 180 feet north and 360 feet east of the Southwest Corner of the Southeast Quarter of the Southwest Quarter of Section 4, T-94N, R-28W.

Thence southeast, on private right of way, across the Southeast Quarter of the Southwest Quarter of Section 4, T-94N, R-28W and the Northeast Quarter of the Northwest Quarter of Section 9, T-94N, R-28W, crossing the public road right of way of County Highway B58/150th Street, to a point on private right of way, along the north-south centerline of the Northwest Quarter of said Section 9, T-94N, R-28W, located approximately 75 feet south of the Northwest Corner of the East Half of the Northwest Quarter of said Section 4, T-94N, R-28W; approximately **0.08 mile**.

Thence south, on private right of way, along the north-south centerline of the Northwest Quarter of Section 9, T-94N, R-28W, to a point on private right of way, located at the Southwest Corner of the East Half of the Northwest Quarter of said Section 9, T-94N, R-28W; approximately **0.49 mile**.

Thence east, on private right of way, along the east-west center line of the West Half of Section 9, T-94N, R-28W, to a point on private right of way, located at the Center Quarter Corner of said Section 9, T-94N, R-28W; approximately **0.25 mile**.

Thence south, on private right of way, along the north-south center lines of Sections 9, 16, 21, 28 & 33, T-94N, R-28W, crossing the public road rights of way of 130th Street, 120th Street, 110th Street and to the center of County Highway C12/100th Street, being the Kossuth-Humboldt County Line, and there ending, at the South Quarter Corner of said Section 33, T-94N, R-28W; approximately **4.48 miles**.

The south endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, in public right of way, at the center of County Highway C12/100th Street, being the Kossuth-Humboldt County Line, at the South Quarter Corner of Section 33, T-94N, R-28W. The south terminus of this line is the Corn Belt Power Cooperative Humboldt switching station, located in the Southeast Quarter of the Southeast Quarter of Section 19, T-91N, R-28W of the 5th P.M., Humboldt County, Iowa.

The total distance of this 69,000 Volts line is approximately 5.30 miles.

LAKOTA TAP
The west endpoint of this line is in the Northwest Quarter of Section 7, T-99N, R-27W of the 5th P.M., Kossuth County, Iowa; and the west terminus of this line is in the Northwest Quarter of Section 19, T-99N, R-27W of the 5th P.M., Kossuth County, Iowa. The east endpoint of this line is in the Northeast Quarter of Section 9, T-99N, R-27W of the 5th P.M., Kossuth County, Iowa; and the east terminus of this line is in the Northeast Quarter of Section 9, T-99N, R-27W of the 5th P.M., Kossuth County, Iowa.

The west terminus of this line is an Interstate Power and Light Company substation, located in the Northwest Quarter of the Northwest Quarter of Section 19, T-99N, R-27W. The west endpoint of this line is a point of interconnection with an existing ITC Midwest 69kV transmission line, located in public right of way, within the south boundary of 450th Street, located approximately 32 feet south and 58 feet east of the Northwest Corner of Section 7, T-99N, R-27W.

Thence east, in public right of way, within the south boundary of 450th Street, along the north lines of Sections 7, 8 & 9, T-99N, R-27W, crossing the Middle Branch Blue Earth River, the public road right of way of 210th Avenue and the Union Pacific Railroad private right of way, to a point in public right of way, within the south boundary of said 450th Street, located approximately 32 feet south and 140 feet west of the Northeast Corner of said Section 9, T-99N, R-27W; approximately **2.92 miles**.

Thence south, **1 foot**, in public right of way, within the south boundary of 450th Street, across the Northeast Quarter of the Northeast Quarter of Section 9, T-99N, R-27W, to a point on private right of way, along the south boundary of said 450th Street, and there ending, at the north boundary of the Corn Belt Power Cooperative Lakota substation property, located approximately 33 feet south and 140 feet west of the Northeast Corner of said Section 9, T-99N, R-27W.

The east endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, along the south boundary of 450th Street, at the north boundary of the Corn Belt Power Cooperative Lakota substation property, located approximately 33 feet south and 140 feet west of the Northeast Corner of Section 9, T-99N, R-27W. The east terminus of this line is the Corn Belt Power Cooperative Lakota substation, located in the Northeast Quarter of the Northeast Quarter of Section 9, T-99N, R-27W.

The total distance of this 69,000 Volts line is approximately 2.92 miles.

GERLED TAP
The west endpoint of this line is near the West Quarter Corner of Section 17, T-99N, R-28W of the 5th P.M., Kossuth County, Iowa; and the west terminus of this line is in the Southeast Quarter of Section 6, T-98N, R-28W of the 5th P.M., Kossuth County, Iowa.

The east endpoint of this line is in the Northwest Quarter of Section 22, T-99N, R-28W of the 5th P.M., Kossuth County, Iowa; and the east terminus of this line is in the Northwest Quarter of Section 22, T-99N, R-28W of the 5th P.M., Kossuth County, Iowa. The west terminus of this line is the Corn Belt Power Cooperative Springfield switching station, located in the Northeast Quarter of the Southeast Quarter Corner of Section 6, T-98N, R-28W. The west endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, along the east boundary of 140th Avenue, located approximately 34 feet east of the West Quarter Corner of Section 17, T-99N, R-28W.

Thence east, on private right of way, along the east-west center lines of Sections 17, 16 & 15, T-99N, R-28W, crossing Drainage Ditch No. 80, and the public road rights of way of County Highway P50/150th Avenue and 160th Avenue, to a point on private right of way, along the east boundary of said 160th Avenue, located approximately 34 feet east of the West Quarter Corner of said Section 15, T-99N, R-28W; approximately **2.00 miles**.

Thence south, on private right of way, along the east boundary of 160th Avenue, along the west line of the Southwest Quarter of Section 15, T-99N, R-28W and the west line of the Northwest Quarter of Section 22, T-99N, R-28W, crossing the public road right of way of US Highway 169/State Highway 9/430th Street, and the Union Pacific Railroad private right of way, to a point on private right of way, along the east boundary of said 160th Avenue, and there ending, at the north boundary of the Corn Belt Power Cooperative Gerled substation property, located on the Valero Renewable Fuels Company, LLC property, located approximately 696 feet south and 65 feet east of the Northwest Corner of said Section 22, T-99N, R-28W; approximately **0.63 mile**.

The east endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, along the east boundary of 160th Avenue, at the north boundary of the Corn Belt Power Cooperative Gerled substation property, located approximately 696 feet south and 65 feet east of the Northwest Corner of Section 22, T-99N, R-28W. The east terminus of this line is the Corn Belt Power Cooperative Gerled substation, on the Valero Renewable Fuels Company, LLC property, located in the Northwest Quarter of the Northwest Quarter of Section 22, T-99N, R-28W.

The total distance of this 69,000 Volts line is approximately 2.63 miles.

HOBARTON TAP
The east endpoint of this line is in the Northeast Quarter of Section 10, T-95N, R-29W of the 5th P.M., Kossuth County, Iowa; and the east terminus of this line is within the corporate limits of Algona, Iowa, in the Southwest Quarter of Section 2, T-95N, R-29W of the 5th P.M., Kossuth County, Iowa. The west endpoint of this line is in the Southwest Quarter of Section 4, T-95N, R-29W of the 5th P.M., Kossuth County, Iowa; and the west terminus of this line is in the Southwest Quarter of Section 4, T-95N, R-29W of the 5th P.M., Kossuth County, Iowa.

The east terminus of this line is within the corporate limits of Algona, Iowa, at the Algona Municipal Utilities substation, located in the Southwest Quarter of Section 2, T-95N, R-29W. The east endpoint of this line is a connection point with

an existing Corn Belt Power Cooperative 69kV transmission line, in public right of way, within the south boundary of County Highway B40/210th Street, at the west corporate limits of Algona, Iowa, located approximately 60 feet south and 1,525 feet east of the North Quarter Corner of Section 10, T-95N, R-29W.

Thence west, in public right of way, within the south boundary of County Highway B40/210th Street, along the north lines of Sections 10 & 9, T-95N, R-29W, crossing the East Fork Des Moines River and the public road right of way of 100th Avenue, to a point in public right of way, within the south boundary of said County Highway B40/210th Street, located approximately 60 feet south of the North Quarter Corner of said Section 9, T-95N, R-29W; approximately **1.28 miles**.

Thence north, on private right of way, along the north-south center lines of Sections 9 & 4, T-95N, R-29W, crossing the public road right of way of County Highway B40/210th Street and the Canadian Pacific Railway private right of way, to a point on private right of way, along the north boundary of said Canadian Pacific Railway private right of way, located approximately 1,113 feet north of the South Quarter Corner of said Section 4, T-95N, R-29W; approximately **0.22 mile**.

Thence west-northwesterly, on private right of way, across the Southwest Quarter of Section 4, T-95N, R-29W, along the north boundary of the Canadian Pacific Railway private right of way, to a point on private right of way, along the north boundary of said Canadian Pacific Railway private right of way, located approximately 1,325 feet north and 1,540 feet of the South Quarter Corner of said Section 4, T-95N, R-29W; approximately **0.30 mile**.

Thence south, on private right of way, across the Southwest Quarter of Section 4, T-95N, R-29W, crossing the Canadian Pacific Railway private right of way, to a point on private right of way, and there ending, at the north boundary of the Corn Belt Power Cooperative Hobarton substation property, located on the Murphy of Iowa, Inc. property, located approximately 1,130 feet north and 1,550 west of the South Quarter Corner of said Section 4, T-95N, R-29W; approximately **0.04 mile**. The west endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, at the north boundary of the Corn Belt Power Cooperative Hobarton substation property, located approximately 1,130 feet north and 1,550 west of the South Quarter Corner of said Section 4, T-95N, R-29W. The west terminus of this line is the Corn Belt Power Cooperative Hobarton substation, on the Murphy of Iowa, Inc. property, located in the Southwest Quarter of the Southwest Quarter of Section 4, T-95N, R-29W.

The total distance of this 69,000 Volts line is approximately 1.84 miles.

HOBARTON - WHITEMORE
The east endpoint of this line is near the South Quarter Corner of Section 4, T-95N, R-29W of the 5th P.M., Kossuth County, Iowa; and the east terminus of this line is in the Southwest Quarter of Section 4, T-95N, R-29W of the 5th P.M., Kossuth County, Iowa.

The west endpoint of this line is in the Southeast Quarter of Section 15, T-95N, R-30W of the 5th P.M., Kossuth County, Iowa; and the west terminus of this line is in the Southeast Quarter of Section 15, T-95N, R-30W of the 5th P.M., Kossuth County, Iowa. The east terminus of this line is the Corn Belt Power Cooperative Hobarton substation, located in the Southwest Quarter of Section 4, T-95N, R-29W. The east endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, in public right of way, within the north boundary of County Highway B40/210th Street, located approximately 59 feet north of the South Quarter Corner of Section 4, T-95N, R-29W.

Thence west, in public right of way, within the north boundary of County Highway B40/210th Street, along the south lines of Sections 4 & 5, T-95N, R-29W, crossing the public road right of way of County Highway P30/90th Avenue, to a point in public right of way, within the west boundary of said County Highway P30/90th Avenue, located approximately 59 feet north and 59 feet west of the Southeast Corner of said Section 5, T-95N, R-29W; approximately **0.51 mile**.

Thence south, in public right of way, within the west boundary of County Highway P30/90th Avenue, along the east lines of Sections 5 & 8, T-95N, R-29W, crossing the public road right of way of County Highway B40/210th Street, to a point in public right of way, within the west boundary of said County Highway P30/90th Avenue, located approximately 90 feet north and 59 feet west of the Southeast Corner of said Section 8, T-95N, R-29W; approximately **0.99 mile**.

Thence southwest, on private right of way, across the southeast corner of Section 8, T-95N, R-29W, to a point in public right of way, within the north boundary of 200th Street, located approximately 29 feet north and 118 feet west of the Southeast Corner of said Section 8, T-95N, R-29W; approximately **0.01 mile**. Thence west, in public right of way, within the north boundary of 200th Street, along the south line of Section 8, T-95N, R-29W, crossing the Fourmile creek, to a point in public right of way, within the east boundary of 80th Avenue, located approximately 29 feet north and 29 feet east of the Southwest Corner of said Section 8, T-95N, R-29W; approximately **0.97 mile**.

Thence south, in public right of way, within the east boundary of 80th Avenue, along the west lines of Sections 8 & 17, T-95N, R-29W, crossing the public road right of way of 200th Street and the Drainage Ditch Number 83, to a point in public right of way, within the north boundary of 190th Street, located approximately 29 feet north and 29 feet east of the Southwest Corner of said Section 17, T-95N, R-29W; approximately **1.00 mile**. Thence west, in public right of way, within the north boundary of 190th Street, along the south lines of Sections 17 & 18, T-95N, R-29W and Sections 13, 14 & 15, T-95N, R-30W, crossing the public road rights of way of 80th Avenue, 70th Avenue and 60th Avenue, and the Hine Creek, to a point in public right of way, within the north boundary of 190th Street, located approximately 29 feet north and 420 feet west of the Southeast Corner of said Section 15, T-95N, R-30W; approximately **3.01 mile**.

Thence north **8 feet**, across the Southeast Quarter of the Southeast Quarter of Section 15, T-95N, R-30W, from a point in public right of way to a point on private right of way, located approximately 37 feet north and 420 feet west of the Southeast Corner of said Section 15, T-95N, R-30W.

Thence westerly, on private right of way, along the north boundary of 190th Street, along the south line of the Southeast Quarter of the Southeast Quarter of Section 15, T-95N, R-30W, to a point on private right of way, and there ending, at the east boundary of the Corn Belt Power Cooperative Whittemore substation property, located approximately 50 feet north and 598 feet west of the Southeast Corner of said Section 15, T-95N, R-30W; approximately **0.03 mile**.

The west endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, at the east boundary of the Corn Belt Power Cooperative Whittemore substation property, located approximately 50 feet north and 598 feet west of the Southeast Corner of said Section 15, T-95N, R-30W. The west terminus of this line is the Corn Belt Power Cooperative Whittemore substation, located in the Southeast Quarter of the Southeast Quarter of Section 15, T-95N, R-30W.

The total distance of this 69,000 Volts line is approximately 6.52 miles.

WHITEMORE - WHITEMORE JCT.
The east endpoint of this line is in the Southeast Quarter of Section 15, T-95N, R-30W of the 5th P.M., Kossuth County, Iowa; and the east terminus of this line is in the Southeast Quarter of Section 15, T-95N, R-30W of the 5th P.M., Kossuth County, Iowa. The west endpoint of this line is in the Southwest Quarter of Section 18, T-95N, R-30W of the 5th P.M., Kossuth County, Iowa; and the west terminus of this line is in the Northeast Quarter of Section 16, T-95N, R-32W of the 5th P.M., Palo Alto, Iowa.

The east terminus of this line is the Corn Belt Power Cooperative Whittemore substation, located in the Southeast Quarter of the Southeast Quarter of Section 15, T-95N, R-30W. The east endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, on private right of way, along the north boundary of 190th Street, at the west boundary of the Corn Belt Power Cooperative Whittemore substation property, located approximately 54 feet north and 520 feet east of the Southwest Corner of the Southeast Quarter of the Southeast Quarter of Section 15, T-95N, R-30W.

Thence west, on private right of way, along the north boundary of 190th Street, along the south lines of Sections 15, 16, 17 & 18, T-95N, R-30W, crossing the public road rights of way of County Highway P20/40th Avenue and 30th Avenue, the Lotts Creek, the public road right of way of 20th Avenue and to the center of State Highway 15/10th Avenue/580th Avenue, being the Kossuth-Palo Alto County Line, and there ending, approximately 50 feet north of the Southwest Corner of said Section 18, T-95N, R-30W; approximately **3.83 miles**.

The west endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 69kV transmission line, at the center of State Highway 15/10th Avenue/580th Avenue, being the Kossuth-Palo Alto County Line, and there ending, approximately 50 feet north of the Southwest Corner of Section 18, T-95N, R-30W. The west terminus of this line is the Corn Belt Power Cooperative Whittemore Jct. switching station located in the Northeast Quarter of the Northeast Quarter of Section 16, T-95N, R-32W of the 5th P.M., Palo Alto, Iowa.

The total distance of this 69,000 Volts line is approximately 3.83 miles.

EXHIBIT A
161,000 Volts Nonmetal (169,000 Volts Maximum) Electric Transmission Lines

Kossuth County, Iowa

BURT - OSGOOD

The east endpoint of this line is in the Southwest Quarter of Section 33, T-97N, R-28W of the 5th P.M., Kossuth County, Iowa; and the east terminus of this line is in the Southwest Quarter of Section 33, T-97N, R-28W of the 5th P.M., Kossuth County, Iowa. The west endpoint of this line is at the West Quarter Corner of Section 30, T-97N, R-30W of the 5th P.M., Kossuth County, Iowa; and the west terminus of this line is in the Southwest Quarter of Section 27, T-97N, R-33W, of the 5th P.M., Palo Alto, Iowa.

The east terminus of this line is the Corn Belt Power Cooperative Burt substation, located in the Southeast Quarter of the Southwest Quarter of Section 33, T-97N, R-28W. The east endpoint of this line is a connection point with an existing Corn Belt Power Cooperative 161kV transmission line, on private right of way, at the north boundary of the Corn Belt Power Cooperative Burt substation property, located approximately 420 feet north and 350 feet west of the South Quarter Corner of Section 33, T-97N, R-28W.

Thence north-northwesterly, on private right of way, across the Southeast Quarter of the Southwest Quarter of Section 33, T-97N, R-28W, to a point on private right of way, and there interconnecting with a MidAmerican Energy Company 345kV transmission line, along the east-west center line of the Southwest Quarter of said Section 33, T-97N, R-28W, located approximately 1,312 feet north and 445 feet west of the South Quarter Corner of said Section 33, T-97N, R-28W; approximately **0.17 mile**.

Thence west, on private right of way, as the south circuit of the MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, along the east-west center lines of the Southwest Quarter of Section 33, T-97N, R-28W and the South Half of Section 32, T-97N, R-28W, crossing the public right of way of County Highway P54/150th Avenue to a point on private right of way, located approximately 1,305 feet north and 630 feet east of the Southwest Corner of said Section 32, T-97N, R-28W; approximately **1.29 miles**.

Thence northwest, on private right of way, as the west circuit of the MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, across the Northwest Quarter of the Southwest Quarter of Section 32, T-97N, R-28W, to a point on private right of way, located approximately 2,265 feet north and 75 feet east of the Southwest Corner of said Section 32, T-97N, R-28W; approximately **0.21 mile**.

Thence north-northwesterly, on private right of way, as the west circuit of the MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, across the North Half of Northeast Quarter of Section 31, T-97N, R-28W and the East Half of the Northeast Quarter of said Section 31, T-97N, R-28W, crossing the East Fork Des Moines River, to a point on private right of way, located approximately 420 feet south and 780 feet west of the Northeast Corner of said Section 31, T-97N, R-28W; approximately **0.50 mile**.

Thence northwest, on private right of way, as the west circuit of the MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, across the North Half of Northeast Quarter of Section 31, T-97N, R-28W, the Southwest Quarter of the Southeast Quarter of Section 30, T-97N, R-28W and the Southeast Quarter of the Southwest Quarter of said Section 30, T-97N, R-28W, crossing a private drive, to a point on private right of way, located approximately 1,235 feet north and 310 feet west of the South Quarter Corner of said Section 30, T-97N, R-28W; approximately **0.51 mile**.

Thence west-northwesterly, on private right of way, as the west circuit of the

MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, across the Southwest Quarter of Section 30, T-97N, R-28W and the Northeast Quarter of the Southeast Quarter of Section 25, T-97N, R-29W, crossing the public road right of way of County Highway P44/130th Avenue, to a point on private right of way, located approximately 760 feet south and 1,330 feet west of the East Quarter Corner of said Section 25, T-97N, R-29W; approximately **0.67 mile**. Thence northwest, on private right of way, as the west circuit of the MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, across the Northwest Quarter of the Southeast Quarter of Section 25, T-97N, R-29W, crossing the Union Pacific Railroad private right of way, to a point on private right of way, along the east-west center line of said Section 25, T-97N, R-29W, located approximately 2,008 feet west of the East Quarter Corner of said Section 25, T-97N, R-29W; approximately **0.19 mile**.

Thence west, on private right of way, as the south circuit of the MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, along the east-west center lines of Sections 25, 26, 27, 28, 29 & 30, T-97N, R-29W and Sections 25, 26, 27, 28, 29 & 30, T-97N, R-30W, crossing the public road rights of way of 120th Avenue, United States Highway 169, 100th Avenue and County Highway P30/90th Avenue, the Calamus Creek, the public road rights of way of 80th Avenue and 70th Avenue, the Black Cat Creek, the public road rights of way of 60th Avenue, County Highway P20/50th Avenue, 40th Avenue and 30th Avenue, the Lotts Creek, the public road right of way of State Highway 15/20th Avenue and to the center of 10th Avenue/580th Avenue, being the Kossuth-Palo Alto County Line, and there ending, at the West Quarter Corner of said Section 30, T-97N, R-30W; approximately **11.54 miles**.

The west endpoint of this line is a connection point with an existing MidAmerican Energy Company owned 345kV/Corn Belt Power Cooperative 161kV double circuit transmission line, in public right of way, at the center of 10th Avenue/580th Avenue, being the Kossuth-Palo Alto County Line, located at the West Quarter Corner of Section 30, T-97N, R-30W. The west terminus of this line is the Corn Belt Power Cooperative Osgood switching station located in the Northeast Quarter of the Southwest Quarter of Section 27, T-97N, R-33W, of the 5th P.M., Palo Alto, Iowa.

The total distance of this 161,000 Volts line is approximately 15.08 miles.

BURT - ITC MIDWEST HANCOCK

The west endpoint of this line is in the Southwest Quarter of Section 33, T-97N, R-28W of the 5th P.M., Kossuth County, Iowa; and the west terminus of this line is in the Southwest Quarter of Section 33, T-97N, R-28W of the 5th P.M., Kossuth County, Iowa. The east endpoint of this line is at
