 Discussion on agenda items only; no action was taken.
 Councilmember Popp introduced himself as the new city liaison officer for Story County Sheriff's Office.
 Fire Chief Grove presented a report on the current city outdoor warning sirens. Emergency Management Director Spoken spoke about the Story County Alerts system. The council heard from multiple residents including Adam Smith, Jackie and Stephanie Holt, Tyler and Jossie Gray expressing concerns with the lack of siren warning on the morning of July 19th. Councilmember Popp expressed concern to the council about the Main Street Phase 3 Reconstruction Project. The railroad has stated that a agreement has been reached to delay the city until the end of August. The delay means Phase 3 will not be able to be completed by the harvest season. Holtz stated he has been in contact with the contractor for the project and that a change order to extend the project to the end of August. City Engineer Holtz spoke about the driveway width examples that had been presented at the June council meeting. The driveway width will be placed on the August 11th council agenda.
 Supervisor Brekke stated he would send a draft copy of the proposed Request for Proposals on a wash bay to the city council for review before the August council meeting.
 Councilmember Rydl suggested collecting additional bids for shop and paint.
 Streets Supervisor Brekke presented a bid from Matant's to replace the driveway width signs north of the roundabout. Brekke also stated that the school has agreed to pay for half of the costs since some of the signs were created for construction traffic.
 No discussion was held on updating city hall computer and server equipment.
 No discussion was held on Resolutions: 2025-07-02 setting salaries, 2025-07-03 awarding grant to Cemetery Society, 2025-07-04 authorizing grant to Historical Society, 2025-07-05 authorizing a grant to the Evansville Historical Society for disposition of city's interest in 213 Main St. and setting a public hearing.
 Councilmember Rydl asked if it would be possible to suspend the tree removal rebate program (Resolution 2025-07-06) and redirect the money towards a siren replacement. City Clerk stated the tree rebate program would not be suspended. Councilmember Popp supported the resolution. If council would like to redirect funds, there would need to be a vote against the resolution.
 Next regular council meeting will be Monday, August 11, 2025, at 6:30 pm.

★★★★★ **Lightweight Wheelchair**

It's so light weight that it's no problem to lift in and out of the back of my car. It's also easy to set up and collapse down. It is very compact and the wheels come off for compact packing alongside luggage or groceries etc. My Mom finds it very comfortable to ride in as well and enjoys the look. We both love it.
