CLUB NOTES ...

City Improvement Association

The City Improvement Association met Tuesday, May 27, 2025, in the Social Hall of the First Baptist Church with 16 ladies present.

The meeting was called to order by President Yolanda Van Ausdall and she thanked the Hostess Committee, Andres Park, for the delicious treats they served. The April meeting minutes were emailed to members and

reviewed by those present. Joanne Robinson discussed a small correction to be made. The change was made to the April minutes and the minutes were approved as corrected.

Yolanda presented Jodi Hammond's April Treasure's report. Susan LeMaster stated she had nothing new to present for the April endowment report. The financial reports were approved as presented and will be filled for audit.

Yolanda told the park chairs their spring park reports were due at this meeting. She will take the reports as Juanita is unable to attend the meeting and will see Juanita gets them. The park chairs shared their May park activity reports, what they had done and any problems they were dealing with in their parks. Memorial Park had a major water issue that needed to be repaired before turning on the fountain for summer. The parks require time and effort to keep looking nice and we need to thank the husbands that share with the park work.

Yolanda reported that Theresa Cherry and Jodi Hammond are working on the CIA "Yard of the Month" and will be presenting a sign soon. They have been given several "Yard" nominations to start the 2025 season.

Susan Jacob presented her Gardeners Minute. She had information on trees. We discussed the different trees in our area and parks.

A motion was made and approved to adjourn the meeting. The June meeting will be on Tuesday, June 24, 2025, at 1:15 pm. Jodi will notify us of the meeting location prior to the meeting date.

LIONS CLUB ROSE GARDEN PERGOLA GETS SPRUCED UP FOR THE SUMMER

A crew from Johnson Painting in Charles City works on the pergola in the Willson-Lorber Lions Club Rose Garden at the corner of Main Street and Riverside Drive earlier this week. The workers were sanding the wood in preparation for staining later in the week.

The garden was created in 1971 as a Lions Club community beautification project after the tornado of 1968. then renovated in 2013 and at that time named after George Lorber and Eb Willson, two Lions who had been instrumental in starting the project. The park contains more than 150 rose plants in many

varieties, benches and a brick walkway in addition to the pergola.

Lorber was a longtime Charles City school superintendent and Lions Club member who helped lead the way to rebuilding three school buildings after the tornado. He died in 2015. Willson, who died in 1996, was also a longtime Lion and owner of Starr Ice Cream Co. and Riverside Greenhouse.

The Charles City Public Library is kicking off the summer reading season with the first meeting of the Basgiath Book Club on Wednesday, June 26, at 5 p.m., hosted at Prologue Books & Wine in downtown Charles City.

"The Basgiath Book Club is a new group dedicated to adult romantasy – a captivating blend of romance and fantasy genres focusing on titles like Rebecca Yarros's Fourth Wing series and other popular romantasy novels that spark imagination and passion alike," according to information from the library.

This meeting will also serve as a planning session, where attendees will help decide on upcoming books, meeting dates, times and locations for the rest of the summer

"Whether you're a die-hard romantasy reader or just curious about the genre, all are welcome to join the discussion and help shape the club's direction," the library said.
