Local Notice as Part of the Environmental Notification Process for the Registration of Antenna Structures

All interested persons are invited to review and request further environmental processing of an FCC application proposing the following MET/ADLS/telecommunications antenna structure along 290th Street (approximately 0.35 miles west of intersection of 290th Street and Paragon Avenue), Otho, Webster County, Iowa (Latitude: N 42° 22' 9.06" / Longitude: W 94° 06' 51.92"). FCC filing number A1317907 proposes a 115 ft. self support lattice communications tower (128 ft. in overall height). No lighting will be required for this tower; however, the tower should be painted in accordance with the criteria contained in Chapter 3 and Chapter 15, with alternate bands of aviation orange and white paint. In addition, paragraph 3.3.1 states that all marking should be replaced when faded or otherwise deteriorated. This application may be reviewed by entering the above file number at this website: www.fcc.gov/asr/applications. Interested persons may raise environmental concerns by filing a "Request for Environmental Review" with the FCC within 30 days of this posting. The FCC requires that all Request for Environmental Reviews be submitted online, instructions for submitting such requests can be found at www.fcc.gov/asr/environmentalrequest.
