Call for Submissions: Honoring Our Local Army Veterans

In celebration of the U.S. Army’s 250th Anniversary on June 14, we are proud to announce a special edition in June 11th edition of The Gowrie News dedicated exclusively to honoring the brave men and women who have served or are currently serving in the United States Army.

This tribute will spotlight local Army veterans—both past and present—sharing their stories, service history, and photographs to commemorate their dedication to our nation.

We invite the community to submit photos and brief summaries of their service, similar to our Veterans Day tribute, but with a focus solely on Army personnel. Whether it’s a cherished memory, a moment of resilience, or simply a name to recognize, we want to ensure every hero is honored.

How to Submit:

• **Photos:** Please provide clear, high-quality images of Army veterans, whether in uniform or in a meaningful setting.

• **Service Details:** Include the veteran’s name, rank,

Dr. Bruce Towne Retires...

Continued from front page...

the years, he continuously advanced his expertise, adding preventive veterinary medicine as a specialty in 2007, followed by acupuncture in 2016—both aimed at improving the overall well-being of his animal patients.

Throughout his career, Dr. Towne has expressed his deep appreciation for the clients and pets who have trusted him with their care. His retirement marks the conclusion of an incredible era, but the legacy of his work will continue. Town Veterinary Clinic remains committed to providing quality care, with Dr. Leppert continuing to serve patients and actively searching for a new veterinarian to join the team.

Dr. Kortney Terrell also recently concluded her tenure at the clinic, with her last day being May 23. Her contributions, along with Dr. Towne’s, have played a significant role in shaping the clinic’s reputation for excellence.

While Dr. Towne steps into retirement, his impact on the veterinary community and the lives of countless animals will undoubtedly endure. His expertise, compassion, and commitment to improving animal health have left a lasting impression, and his clients and colleagues alike wish him the best as he begins this new chapter.
