PUBLIC NOTICE

Flushing of Fire Hydrants

The Madrid Water Department will be flushing fire hydrants beginning September 29, 2025 through October 13, 2025 between the hours of 7:00 a.m. and 4:00 p.m. and some late evenings, Monday through Friday.

This is part of our bi-annual water distribution system flushing program designed to ensure water quality and to check for proper operation of our fire hydrants.

Customers may experience periodic discoloration in their water during these dates, however, do not be alarmed. The water (although unsightly) is safe to drink. If you encounter brown or discolored water, please run cold water through the faucet on the lowest level of your home for a few minutes.

We do ask that residents refrain from washing clothes (especially whites) during the specified dates and times, due to the potential of staining. We would also request that citizens not park vehicles near, in front of, or across from fire hydrants during these dates. If you have low water pressure or water discoloration for more than 24 hours or if you have any questions, please contact City Hall at (515) 795-3930

Update to phone services

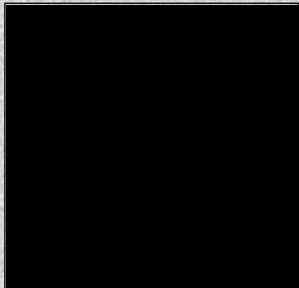

Hello readers. The Madrid Register-News and Ogden Reporter phone number is discontinued in the coming weeks and there is a new number to call. Please call 641-456-2585 if there are questions regarding subscriptions, circulation and other issues. For advertising, call Katie Phillips at 641-790-1841. For news and sports, call Craig Shultz at 515-230-5707. Thank you for understanding during this change.
