A DAY ON WALL STREET

Annual Blood Donor Day slated for June 27

TIMES-REPUBLICAN

LifeServe Blood Center invites the community to this year's Blood Donor Day in an effort to boost the community blood supply during the summer, often referred to as trauma

This isn't just the biggest blood drive of the year, it's a VIP event where every donor is a star, and every donation can save a life. Come for a day of glam, gratitude and of course, giveaways.

Be a real star from 7:30 a.m. to 1:30 p.m. on June 27 at Marshalltown Donor Center, 3109 S. Center St., Suite 104. All donors will receive an exclusive Blood Donor T-shirt, while sizes and supplies last, a \$5 coupon from Real Deals Mar-

shalltown and be eligible to win a \$10 gift voucher to La Carreta Mexican Grill.

To schedule your appointment, call 800-287-4903 or visit lifeserve.info/ MTstar.

Iowa Legal Aid at MICA on Thursday

TIMES-REPUBLICAN

An attorney from Iowa Legal Aid will be in Marshalltown from 1 p.m. to 3 p.m. on June 26 at the MICA office, 1001 S. 18th

Iowa Legal Aid provides free legal assistance to low-income Iowans in civil (noncriminal) cases. Iowa Legal Aid is a member Agency of the Marshalltown United Way. An Iowa Legal Aid attorney is available at the MICA

Family Development Center on the third Thursday of every month with the exception of June.

Persons who need assistive devices or services (such as a sign language interpreter) should contact Iowa Legal Aid as much in advance as possible, by calling 800-532-1275.

Low-income people, have a legal problem and cannot be present at the MICA Family Development Center at the above date and time, can contact

Iowa Legal Aid by calling 800-532-1275 on weekdays from 9 a.m. to 11 a.m. and from 1:30 p.m. to 3:30 p.m. except Tuesday, Thursday and Friday afternoons.

During those times, Iowa Legal Aid takes new applications for legal services over the phone. If there is an emergency, an application can be taken over the phone anytime Monday through Friday between 9 a.m. and 4:30

Marshalltown Parks and Recreation is celebrating Parks and Recreation Month, an initiative of the National Recreation and Park Association, by inviting the community to share its experiences, memories and stories about what parks and recreation means to them. Whether it's a day out at the Aquatic Center or a hike around Timber Creek Pond, the Department would love to hear from the public.

Carol Webb, city administrator, said "This is something that we are doing to engage our public and to elevate Parks and Recreation for the month of July! We have some exciting construction projects currently taking place so the 'build together/play together' theme is appropriate. We invite patrons to get to know our Department by participating in some of these fun, free activities."

NRPA and Marshalltown Parks and Recreation encourage everyone who supports parks and recreation to post why the local park and recreation professionals are important to them on social media with the hashtag #BuildTogetherPlayTogether.

To learn more about and Recreation Parks Month, follow P & R on Facebook or visit Parks & Recreation | Marshalltown, IA and nrpa.org/July. The mission of the Marshalltown Parks and Recreation department is to develop and promote recreational opportunities and to maintain and preserve parklands and facilities for the community.

\$15,000.00 and the department has to pay for installation. Once washer is installed, the state requires proof that it has been installed, then all proceedings for the grant are completed. Weitzell motioned to approve the submittal for the lowa Fireworks Grant. Seconded by Cooling. Roll Call: 5-0. Carried.

Mayor opened the discussion on the Submittal of Le Grand Fire Department for the Good Neighbor Firefighter Safety Program 2025. The grant was found by Rhonda Braudis, Marshall County Emergency Management, and was filled out by Rhonda. Mayor stated that the window for the grant was only 3 days, therefor the grant has already been submitted. Assistant Chief stated that the grant was submitted in order to potentially purchase new turnout gear. Cooling motioned to approve the submittal for the Good Neighbor Firefighter Safety Program 2025. Seconded by Weitzell.

Mayor opened the discussion on Legislative Changes for Recodifying the City of Le Grand Code of Ordinances. Several legislative changes for 2021 through 2024 have not been updated in the Code, however the sidewalk liability will not be updated due to League of Cities thinking it will be changed. Mayor stated process will be the same as prior recodifications. Deputy Clerk process will be the same as prior recodification will be \$5,500.00. Cecak motioned to approve Recodifying the City of Le Grand Code of Ordinances. Seconded by Cooling. Roll Call: 5-0. Carried. Mayor opened the discussion on Street Repair and Overlay plans.

Underhill stated that the streets to be overlayed will be College from Prairie to Crestview, 1 block of Julian St, and a half block of

Franklin by the high school, which will have a 4 inch overlay. Total proposed cost of the project is \$49,399.69. Cecak questioned what will happen with the issues showing on Prairie Street. Underhill stated that M-Town Asphalt and Paving will fix them. C Kadner questioned if the warranty is listed on paper or if it was just a verbal agreement. Underhill stated that he is unsure if the warranty was listed on paper. Cooling motioned to approve the proposed project. Seconded by Underhill. Roll Call: 4-1. Carried. Mayor opened the discussion on Parking on Streets. Underhill stated that it is not about no parking, but parking limits. Underhill stated that he did a study of parking on the streets in Le Grand, and that there were usually cars parked on Drury Ln, Clinton St, and at the corner of Grandview and Prairie. Of those cars, at least 3 were observed to not move at all. Underhill stated that he spoke to several law enforcement officials and he believes the best solution would be alternate parking. Parrish questioned if the alternate parking would require a call to the Sheriff's Office. Cooling questioned the cost of signage and if the alternate parking would be for all streets. Underhill stated that the city is not required to do alternate parking for all streets and that he believes that it should start with the street with the most parking issues. Mayor questioned Public Works Director how much signage would cost. Public Works stated he is unsure, but he doesn't believe it would be too much. Parrish asked the citizens what their input is on the proposed alternate parking Weitzell questioned how supportive will the Sheriff's office be with the alternate parking. Parrish stated the City could reach out to the Sheriff's office and speak to them. Citizen C Kadner stated that the truck parked on Drury Ln does not bother him but how citizens park on Main St in front of the Post Office and City Hall are more of an issue. Citizen T Humpfer stated that the parking does not bother him, but it does get annoying having to wait or swing around a parked vehicle due to the narrowness of the street. Cooling stated that the alternate parking would be a start towards making citizens aware of the issue. Weitzell stated Le Grand is not the only town with the issue. C Kadner stated that his concern is with alternate parking, there may be a period of time per day that there may be vehicles parked on both sides of the street and that there should be allowed time after the change for citizens to move their vehicles. Citizen S Andrews stated that there is an unwritten rule in Marshalltown that it is not enforced until 11 AM most days and 1 PM on Sundays. Underhill stated that this is potentially the only way to solve the issue. Citizen D Cecak questioned what would happen if the truck is moved in accordance to the alternate parking and parks in the grass on the opposite side. Underhill stated that it needs to be researched what the Code states regarding parking in the grass. Mayor questioned if part of the yard would be considered City easement and the length of time a vehicle can be parked on city streets. Underhill stated that law enforcement has a hard time enforcing the time limit due to the process that they have to go through Weitzell stated that his biggest concern is the enforcement of alternate parking. C Kadner stated that the truck has been parked on the road during snow emergencies and was not towed. Underhill stated that enforcement hasn't been consistent. Mayor stated that there has been issues with parking blocking alleys in past years and that it is to the point the City just calls the tow company. Underhill stated that the Sheriff's Department informed him that if the city has a recommendation for a towing company that is who the department would call for towing. Underhill stated that he spoke to Hogeland and they would not bill the City for any towing. Cooling motioned to move forward with an ordinance to allow for alternate parking on Drury Ln. Seconded by Underhill. Roll Call: 3-2 Carried Cooling motioned to adjourn the meeting. Seconded by Cecak.

Roll Call: 5-0. Carried Meeting adjourned at 7:16 PM.
