

WALL LAKE NEWS

Story Time at Wall Lake Library
There are going to be some lucky dads getting some pretty sweet presents on Sunday. We read the book, "Some Daddies", and then the kids made some personalized koozies and got to fill it with a Pepsi, Dr. Pepper, or Mt. Dew for their dad. We also had some other Father's Day activities they could do like coupon books. Kaely already filled one out so that Mick owes us one night of no snoring. Happy Father's Day to all our dads.
This program was made possible with funds received through Crawford and Sac Decategorization and Community Partnerships for Protecting Children, Neighborhood/Community Network Mini Grant.

LVA & ESC School Alumni Banquet

The 2025 Lake View-Auburn/East Sac County School Alumni Banquet will be held at the New Lake View Community Center this year.
This year's Alumni Banquet is set for Friday July 18. Social hour will be at 5 p.m. with a meal to follow at 6:30 p.m. The host class this year is the LVA class of 1975, which will also be noting its 50th year from graduation. More information along with registration forms was sent out the first part of May.
This event is a "kick-off" to the Friday evening of the annual Lake View Water Carnival which is the weekend of July 18, 19 and 20. There are many events held during the weekend and this could be a "destination weekend" of fun and fellowship!
Special recognition will be given to the "most senior alumni," and the "alumnus who travelled the farthest to attend," as well as each class "Roll Call." Any class having their own event will also be announced.
Here is a bit of history for you trivia fans: the first LVA alumni banquet was held 112 years ago, June 14, 1913. It was deemed a success and was voted on to continue and does to this day!
Last year's alumni banquet hosted about 200 people. This year, how many of you want to get reacquainted with your class mates and friends from school days and years? It's a new venue and we hope to see you there.

Changes to Wall Lake Airport Hangar

If you haven't noticed the airport hangar is no longer a piece of Wall Lake history. Rick cleaned it up on Wednesday, June 4. Council decided to remove the old hangar to make room for potential businesses.
The airport project has been a couple of years in the making and today it moved a little closer to the goal. Soon dirt will fill the area where the hangar was and we will have commercial lots for sale.
Currently we have no interest in the, soon to be, commercial lots. If you know someone looking please have them contact Chris at 712-664-2216.

Wall Lake Rec Center Gym
The gym floors were slated for resurfacing again this year. The gymnasium was closed from Thursday, May 22nd through Saturday May 31st.
