The Board of Supervisors of Monona and Harrison Counties, Iowa, as Joint Trustees of the McNeill Inter-County Drainage District of Monona and Harrison Counties, Iowa, met on Tuesday, June 3, 2025, at 11:00 o'clock a.m. at the Onawa Public Library, Onawa, Monona County, Iowa. Supervisors present were: Vince Phillips and Tom Brouillette, Monona County; and Brian Rife, and Rebecca Wilkerson, Harrison County. Absent: Bo Fox, Chairman and Tony Smith. Others present: Peggy Rolph, Monona County Auditor; Amy Borchardt-Sick, Drainage Clerk; Caleb Rasmussen, Engineer, Luke Carpenter, Graduate Engineer with I & S Group, and Attorney Gary Taylor.

Landowners and interested parties present were: James Alexander; Beverly Alexander; Scott Phipps; Rick Stanislav; Allen Carrier; Larry Hutchinson, David Zima, and Jason Stanis-

It was moved by Brouillette, seconded by Phillips to open the hearing. Vote on motion: Ayes: Brouillette, Phillips, Rife and Wilkerson. Nays: None.

Motion carried. Supervisor Brouillette announced this is the time and place for hearing for the proposed improvement of the McNeill Main Inter-County Drainage

District Phase II project. There were no written objections filed prior to the time of the hearing. Supervisor Brouillette asked if anyone else had a written objection to file be-

fore the hearing began. No additional objections were filed.

Engineer Rasmussen stated the purpose of today's public hearing is to discuss the proposed improvements for the McNeill Inter-County Drainage Ditch cleanout, Phase II, which consists of a new channel and pipe outlet on the east side of the Union Pacific Railroad just north of Blencoe. This new channel would bypass the RR. Phase I is complete from the Monona Harrison up to this first RR crossing. The idea of the two phases was to allow time to permit the project through the RR. As of date, we have made several attempts to communicate with the RR, we did reach out to Senator Feenstra, Sweeney, and Ernst for help communicating with the RR. We filed an official notice, per lowa Code 468, with the RR to lower their two culverts The notice was sent in late 2023, they had until 2024 to respond which they did not. The RR is adamant this is not a repair but an "improvement" and stated they will not lower the two cul-

Engineer Rasmussen discussed several options for repair that were all presented at the informational meeting held in December 2024 and let the landowners present know the conclusion of that meeting was to bypass the RR and construct a new channel on

the East side of the RR. Plans were provided by ISG for the new proposed ditch. Rasmussen stated the district would still maintain the ditch west of the RR. When the new channel was designed, it was to avoid any wetland mitigation that is out there. Rassmussen said they would not do a design for any capacity above what is existing. That again is to avoid wetland

Engineer Rassmussen responded to additional questions presented. Landowners concerns were asking senators for additional help, expenses of the project and what that would do to the taxes, the trusses being removed and replaced with two culverts put in by Union Pacific without any knowledge of the McNeil DD, timeframe of the project, pumping, taking the RR to court for the lowering of the two culverts, reclassification, assessment, and more.

Rasmussen stated if we did take the RR to court, the costs are assessed back to the successful party in the case. If the district was successful in court, the RR would pay the court costs. He feels we have sufficient documentation to present in court. The last case ISG was involved with taking Union Pacific to court settled in 2.5 years. One landowner suggested getting the news involved when the papers are served to the RR.

Based on discussion, it was Rassmussen's recommendation to not adopt the improvement bypass, direct ISG to proceed preparing plans and specifications for the repair cleanout, phase II and to prep documents to serve Union Pacific papers for lowering the pipe culverts under the two RR

The remaining portion of the ditch consideration and ongoing commitment with the RR and consideration of construction dewatering, the construction would start at the second RR crossing and continue north to Onawa. The outcome of the RR would determine if we proceed with the west loop or then proceed with the new by-pass channel. Per Rasmussen, the ditch would line up if we still elected to do the bypass, and for that ¾ mile he anticipates that portion would take three months to complete if taking that route. They would level the spoils and Harrison County stated they would be interested if we had extra dirt that needed to be hauled off.

Following lengthy discussion, it was moved by Phillips, seconded by Brouillette to close the hearing. Vote on motion: Ayes: Phillips, Brouillette, Rife and Wilkerson. Nays: None. Motion carried.

It was moved by Phillips, seconded by Wilkerson to not adopt the improvement bypass, direct ISG to proceed with the plans and specifications of the repair cleanout of Phase II McNeill Inter-County Drainage Ditch, and to prep documents to serve Union Pacific RR notice for lowering the pipe culverts under the 2 RR crossing Vote on motion: Ayes: Phillips, Brouillette, Rife and Wilkerson. Nays: None. Motion carried.

The anticipated timeline for this repair for Phase II would be bid letting early Fall with construction beginning early Winter of 2025 and completion

being next Spring.

Rasmussen did note that they were directed to complete a reclassification of the district when this project started, they have not done that due to the proposed improvement, however now that that is not taking place, they will continue getting the reclassification completed

Motion to adjourn the Drainage meeting was made by Brouillette, seconded by Rife. Vote on motion: Aves: Brouillette, Phillips, Rife and Wilkerson. Nays: None. Motion carried.

Motion was made by Supervisor Brouillette, seconded by Supervisor Phillips to recess at 11:55 p.m. Vote on motion: Ayes: Brouillette and Phillips.

Nays: None. Motion carried. Motion was made by Supervisor Brouillette, seconded by Supervisor Phillips to reconvene at 12:56 p.m. Vote on motion: Ayes: Brouillette and

Phillips. Nays: None. Motion carried. Kara Minnihan was present requesting a letter of support from the Board of Supervisors for the Onawa Public Library's Musical Sensory Garden Grant.

Motion was made by Supervisor Phillips, seconded by Supervisor Brouillette to authorize the Board of Supervisor's signatures on letter of support for the Onawa Public Library's Musical Sensory Garden Grant. Vote on motion: Ayes: Brouillette and Phil-

NOW, THEREFORE, BE IT OR-

DAINED by the City of Onawa, lowa, that the present Section 106.08, titled COLLECTION FEES, of the Code of Ordinances of the City of Onawa, lowa, is hereby amended to read as 106.08 COLLECTION FEES

The collection and disposal of solid waste as provided by this chapter is declared to be a benefit to the property served or eligible to be served and there shall be levied and collected the fees therefore in accordance with the following:

(Goreham vs. Des Moines, 1970, 179 N.W.2nd, 449)

- 1. Each dwelling user of any City utilities shall be charged \$15.58 per month for refuse plus \$10.00 per month for operation and maintenance of the sanitary landfill
- 2. Each non-dwelling user of any City utilities shall be charged \$10.00 per month for operation and maintenance of the sanitary landfill whether or not the user has refuse removed, as set forth in Section
- 3. Payment of Bills. All fees are due and payable under the same terms and conditions provided for payment of a combined service account as contained in Section 92.04 of this Code of Ordinances. Solid waste collection service may be discontinued in accordance with the provisions contained in Section 92.05 if the combined service account becomes delinquent, and the provisions contained in Section 92.08 relating to lien notices shall also apply in the event of a delinquent account.

BE IT FURTHER ORDAINED that if any section, subsection, sentence, clause or phrase of this Ordinance is, for any reason, held to be unconstitutional, such shall not affect the validity of the remaining portion or portions of this Ordinance. The City Council of Onawa, Iowa, hereby declares that it would have passed this Ordinance, and each section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional.

BE IT FURTHER ORDAINED that this Ordinance shall be in full force and effect from and after July 1, 2025.

Councilperson Kreger introduced, caused to be read and moved the adoption of the foregoing ordinance.
