PUBLIC NOTICE

South Central Iowa Regional 911 Service Board Meeting Minutes for April 30, 2025 (virtual/in-person meeting)

The virtual/in-person meeting was called to order at 7:00 pm by Tony Hardisty, Chairman. The members present were Jo Duckworth, Zach Girard, Brian Akers, Angela Henry, and Paul Welch along with Diane Seifrit (SCI Administrator) and Lyn Hansen (Hansen's M & M Services). The members present virtually were Chuck Cleveland and Nate Bucher.

*****Bill Snyder (Racom) joined the meeting *****

The April Meeting Agenda was reviewed. Motion by Henry to approve the April Meeting Agenda. Second by Girard. All ayes.

The March minutes were reviewed. Motion by Welch to approve the March minutes. Second by Duckworth. All ayes.

The financial/activity reports were reviewed. Seifrit reported the current net profit/loss and stated that the full GIS grant has been received for the current fiscal year. Motion by Duckworth to approve the reports. Second by Henry. All ayes.

Seifrit reviewed the billing summary. The Frontier bill continues to be reviewed. The Windstream circuit bill has been reduced due to the lower ALI count. The firewalls for all counties have been updated. Seifrit's office will be next fiscal year. Windstream sent a two-year Renewal Addendum with the current pricing. Seifrit will have Racom review before signing it. Motion by Girard to pay the bills except the bill in red. Second by Cleveland. All ayes. Seifrit gave the new bill total.

Hansen provided her written report and asked if there was an issue that was not ongoing, she could remove it from her report.

Seifrit provided the SCI ALI database on April 10th which was joined with the site structure point layer then it was uploaded to the GeoComm databub on the 11th. Kelly Fox, GeoComm, completed the map update on April 17th, and the map looked good.

From March 27th to April 30th, there were 41 calls from outside the counties. There was 1 unmapped call in Adams County. Seifrit worked with dispatch on the unmapped call.

Seifrit provided the Comtech ALI Data on April 10th. The Comtech ALI database along with the necessary layers in the Arc map were uploaded to the state on April 10th. There were no critical errors.

In March, there were 99 counties submitted to the state, and 99 counties met the benchmarks. The state sends the GIS grant payments quarterly after the April report. Hansen shared what the state provides regarding data errors for SCI. They are as follows: GIS data errors equal to 100% with no errors, ALI to RCL is 100% with zero errors, and ALI to SSAP is 99.98% with two address errors.

On April 14th, there was a webinar concerning the ArcGIS pro solution which is ESRI held concerning GeoComm maintainer and showed their tools they built for address management. GeoComm is not developing this address data management for the ArcPro. ESRI is retiring the ArcMap in 2026. Hansen contacted GeoComm which did not provide much information at this time. Seifrit talked to Stacen Gross at the Spring Conference and will reach out to him again and include Hansen. The yearly ArcMap maintenance was paid to ESRI by Hansen for \$460.00.

Duckworth lost her points on her map again, but she will try to get them back. Motion by Duckworth to approve the mapping report. Second by Henry. All ayes.

*****Nathan Baier joined the meeting*****

There was a 911 Council Meeting on April 10th. DeRouchey gave a legislative update on HF 951 proposing appropriating \$2 million grant money for Clay County. The bill passed out of subcommittee, but no additional action has been taken. There is still discussion between House leadership and the Governor regarding the 911 funding. The department bill in its initial state is dead so the future is unclear. There was 1 Service Board Membership form and 1 Data Expenditure Report form remaining. They were turned in soon enough that no wireless surcharge was withheld. The GIS grant benchmarks are the same for next year. There are still training funds remaining. Lynn Tazzioli (Polk Co), Chair Rotter, and Seifrit discussed their own scenarios with Windstream due to renewals coming up. Seifrit shared what SCI had to do to get their bill resolved.

A new bill, HSB 232, proposed by the House Ways and Means Committee that would actually take more funds from the surcharge. Two days later, there was a subcommittee meeting. Seifrit reviewed the bill along with the meetings and shared what the approximate decrease would be for SCI. Not all future costs are being discussed by the state. There continues to be no long-term solution. DeRouchey did not give a report at the Spring NENA Conference.

Seifrit attended the Iowa NENA and Iowa APCO conferences on April 28th and 29th respectively. The Denise Amber Foundation presented both days including topics of domestic abuse and reviewing the events that led up to Denise Amber's murder. Motion by Welch to approve the administrator's report. Second by Cleveland. All ayes.

Snyder did not have a report. Duckworth noted there haven't been very many issues. Seifrit has not received any help on a call in Guthrie County on April 18th. Snyder will ask Anderson again tomorrow. Seifrit shared Duane Vos' email for the Board.

No update for Formulate PSAP Process for 911 Issues.

Seifrit sent out monthly updates to each of the county engineers on their County Capital Improvement Program. Union County had a new quote for radio programming. Motion by Henry to approve Union County's addition. Second by Girard. All ayes. Seifrit provided an update for each county's remaining funds.

Duckworth gave an update for Union County's fire/EMS needs. Seifrit did not have any new information from any of the counties. Hardisty discussed using some of the current year's CCIP remaining funds this fiscal year. Union County may be looking at another chair. Seifrit gave an update on the approximate remaining funds for each county. Hardisty would like to discuss the spending again and see if some of the funds could be expended this fiscal year. Prices of batteries were discussed. Duckworth also pointed out that the remaining funds will return to SCI and the possible long-term effect.

The Union County police chief wants to attend next month's meeting to discuss the tower Motorola upgrades coming as soon as 2029. These upgrades are very expensive.

Duckworth reviewed what the maintenance contract that they signed and now they are going to have to pay a lot of money due to the required upgrades.

No policies and procedures update.

There are two quotes from Mainstay regarding updating computers at Union County and Guthrie County. After this upgrade, all county computers are good until 2026-2027. The board felt that Union County's computer should be expenses from Equipment and Repair instead of through the County Capital Improvement Program. Motion by Duckworth to approve the computer upgrades for \$12,802.00. Second by Henry. All ayes.

The budget amendment hearing, if needed, will be next month on May 28th at 7:15 pm.

The meeting was adjourned at 7:49 pm.

Diane Seifrit
911 Database Administrator/
Secretary-Treasurer

REGULAR MEETING OF THE CRESTON CITY COUNCIL JUNE 3rd, 2025

The Creston City Council met in regular session at 6:00 o'clock p.m. on the above date in the Council Chambers of the City Hall Complex with Mayor Waylon Clayton presiding.

Roll call being taken with the following Council members present: Scarberry, Wintemute, Graham, Worisek, Thompson, and Blazek. Madison was absent.

A motion was made and seconded to approve the agenda. All voted aye. Motion carried.

A motion was made and seconded to approve the consent agenda, which included approval of minutes of May 20th, 2025 - Regular Meeting and Claims - \$262,473.72; Tobacco License Renewal for Studio 101, BP, Greenleaf Tobacco; Amusement License for Feldhacker's Family Fun Center; Liquor License Renewal for Willy's Bar
