

Iowa West Foundation Will Hold Grants Workshop in Hastings

(Council Bluffs, IA) – Representatives of the Iowa West Foundation are once again hitting the road and taking their grants workshop to another rural community – this time to Hastings, Iowa on July 31.

Interested applicants from non-profit organizations and government entities in the Foundation’s funding area are invited to learn about the grants process, policies, and procedures, and to ask staff questions about proposals ahead of the final funding cycle of 2025.

The session will be held Thursday, July 31 from 10:00 am-noon.

To register, go to <https://bit.ly/IWFHastings>.

Venue details will be shared upon registration. Registrations will be accepted until noon on Monday, July 28 or until registrations meet the workshop's maximum capacity.

Ideally, attendees will come to the grants workshop with a specific grant idea in mind. They will have an opportunity to:

- hear from program officers,
- ask questions about the grant application process,
- work through budget inquiries, and
- learn about the grants management system.

Plans Underway for Family Fun Day At The Cass County Fair

The Cass County Child Abuse Prevention Council and Healthy Cass County Coalition are making plans for another Family Fun Day at the 2025 Cass County Fair. The event will take place on Saturday, July 26, from noon to 4:00 p.m. at the Cass County Fairgrounds. It encourages families to visit the fair by offering a variety of fun activity stations for all ages to enjoy. In past years, booths have featured water fights, yard games, a duck pond, a book walk, and more.

Community members are encouraged to mark their calendars for July 26 and plan to attend this free, family-friendly event. If your community organization is interested in hosting a free youth activity booth at Family Fun Day, please email hcc@casshealth.info or call 712-250-8170.

The Cass County Child Abuse Prevention Council and Healthy Cass County encourage families to spend time together at the fair while discovering simple activity ideas that can be enjoyed at home, in school, and throughout the community. The event also serves as a reminder of the importance of community support—and how everyone plays a role in creating safe, healthy, and nurturing environments for children in our local communities
