RESOLUTION NO. 2025-019

Authorizing Carroll County to Enter into the Settlement Agreements with Purdue Pharma L.P. & the Sackler Family, Sandoz Inc., Alvogon Amneal, Aptex, Hikma, Indivior, Mylan, Sun, and Zydus

WHEREAS, in 2018, the County Board of Supervisors authorized Carroll County (the "County") to enter into an engagement agreement with Crueger Dickinson LLC, Simmons Hanly Conroy, and von Briesen & Roper, s.c. (the "Law Firms") to pursue litigation against certain manufacturers, distributors, and retailers of opioid pharmaceuticals (the "Opioid Defendants") in an effort to hold the Opioid Defendants financially responsible for the impact on the Opioid Epidemic on the County and resources necessary to combat the opioid epidemic;

WHEREAS, on behalf of the County, the Law Firms filed a lawsuit against the Opioid Defendants in 2018 and have been litigating against the Opioid Defendants since that time;

WHEREAS, negotiations to settle claims against several of the Opioid Defendants, specifically Purdue Pharma L.P. & the Sackler Family, Sandoz Inc., Alvogon Amneal, Aptex, Hikma, Indivior, Mylan, Sun, and Zydus (the "Settling Defendants") have been ongoing for several years;

WHEREAS, negotiations with the Settling Defendants have resulted in proposed nationwide settlements of state and local government claims involved in the litigation;

WHEREAS, the proposed terms of those proposed nationwide settlements are set forth in the Governmental Entity and Shareholder Direct Settlement Agreement (i.e. the Purdue Pharma L.P. and the Sackler Family Settlement Agreement); the Sandoz Settlement Agreement; and the Alvogon, Amneal, Aptex, Hikma, Indivior, Mylan, Sun, and Zydus National Opioid Settlement Agreements (i.e. the Secondary Manufacturers Settlement Agreement) (collectively "Settlement Agreements");

WHEREAS, the Settlement Agreements as well as a summary of the main terms of the Settlement Agreements, the deadlines for submitting the Participation Agreements to the Settlement Agreements and the MDL Court's Order setting deadlines for any Plaintiff who declines to enter into the Settlement Agreements have been provided to the County prior to the execution of this Resolution;

WHEREAS, the Settlement Agreements provide, among other things, for the payment of a certain sum to settling government entities in Iowa including to the State of Iowa and Participating Subdivisions, as that term is defined in the Settlement Agreements ("Iowa Opioid Funds"), upon occurrence of certain events as defined in the Settlement Agreements;

WHEREAS, the Law Firms have engaged in extensive discussions with the State Attorney General's Office ("AGO") as to how the Iowa Opioid Funds will be allocated, which has resulted

in the Iowa Opioid Allocation Memorandum of Understanding ("Allocation MOU"), which is an agreement between all of the entities who are signatories to the Allocation MOU;

WHEREAS, the Allocation MOU divides Iowa Opioid Funds as follows: (i) 50% to the State ("the Iowa Abatement Share") and (ii) 50% to Participating Local Governments ("LG Share"), net of fees and costs allocated to the Iowa Backstop Fund as set forth in Section D of the Allocation MOU and in this Resolution ("LG Abatement Share");

WHEREAS, the LG Abatement Share shall be distributed in direct payments to the Counties that are Participating Local Governments according to the allocation model developed in connection with the proposed negotiating class in the National Prescription Opiate Litigation (MDL No. 2804) in the amounts set forth on Exhibit 2 to the Allocation MOU ("Direct Distribution Percentage"). The Direct Distribution Percentage will be multiplied by the total LG Abatement Share to arrive at the total allocation to the Participating Local Government (the "Direct Distribution Amount");

WHEREAS, 100% of the Iowa Abatement Share and the LG Abatement Share, regardless of allocation, shall be utilized only for Opioid-Related Expenditures incurred after the Effective Date of this MOU. The list of approved Opioid Related Expenditures are set forth in Exhibit 1 of the MOU (Iowa State - Local Allocation MOU).

WHEREAS at least 75% of the Iowa Abatement Share and 75% of the LG Abatement Share shall be utilized for only the "Core Strategies" listed
