Whereas, while researching road right-of-way along Hwy. G40 for a property survey, it was discovered that an old road alignment was abandoned when the new highway was constructed in the 1940s and,

Whereas, Marion County has not considered the old road alignment right-of-way easement since it was abandoned due to realignment in the 40s, but could not find any specific documentation verifying that stance and,

Whereas, since that time, the abandoned road alignment has been given a parcel number, transferred between two private individuals in 1968, and later combined with another parcel to create the current property owner's parcel today and,

Whereas, to create better documentation and allow the surveyor to complete the survey of said property along Hwy. G40, Marion County has created a Quit Claim Deed of the described abandoned road alignment to the current parcel owners today.

Now therefore be it resolved that; Marion County does hereby quit claim to

Susan E & Joshua J Broughton, 314 Hwy. G40, Pleasantville, IA 50225,
