

'Once Upon a Pandora's Box'

Audiences saw a new take on fairytale villains during performances of "Once Upon a Pandora's Box" by MFL MarMac middle school students on March 27 and 28. The story followed aspiring writer Tabitha and her sister Louise as they released the villains from Pandora's Box into New York City, then had to use Tabitha's journal to write the villains new endings. Pictured above are villains The Fairy (Irie Smith), The Witch (Cora Donlon), Rumpelstiltskin (Evelyn Fettkether), The Queen (Alina Greener) and The Wolf (Carson Ross). Pictured to the right are siblings Louise (Isabell Carroll) and Tabitha (Maeve Koether) tied up in their New York City apartment, as well as princesses Beautella (Aime Hastert) and Angella (Brenna Schlein), who were written by Tabitha.
