

SIoux RAPIDS FAMILY CARE UNDER CONSTRUCTION

The Sioux Rapids Family Care Clinic is currently under construction. The central corridor and registration counter are beginning to take shape. The clinic in downtown Sioux Rapids was badly damaged by the flood in 2024, but the renovations are progressing, and it is hoped the clinic will reopen in its original location later this summer.

WORLD WAR I RELIC FOUND

Shannon and Terri Roder found an unusual plate that was made for I.P. Davison, a jeweler in Sioux Rapids. The 1920 souvenir has been given to the Sioux Rapids Area Historical Association and will be on display for everyone to see.

LITTLE REBELS RUN

Boys and girls track and field, and cross-country students hosted the first Annual Little Rebel Runners Clinic. A large turnout of young Rebels brought the energy, smiles and plenty of fast feet as they spent the evening learning, running and having fun alongside our student athletes.

TIME FOR PLANTING

CHICS Club of Sioux Rapids finally had the chance to plant the flower pots on Main Street on Tuesday evening. Fears of frost and freezing temperatures kept the group from any earlier activity. CHICS stands for "Cooperating Hands in Community Service."

Honoring Terry Fox

Last Thursday, Sioux Central Community School proudly recognized Terry Fox for the second time, honoring his incredible legacy of courage, perseverance and hope.

Fox became a worldwide inspiration after beginning his "Marathon of Hope" in 1980, running across Canada with a prosthetic leg after losing his own leg to cancer. Although his journey was cut short, his determination sparked a movement that continues to inspire millions around the world and has raised hundreds of millions of dollars for cancer research in Canada and beyond.

Fox's story reminds us that one

person's courage can make an extraordinary difference.

His legacy continues to unite communities, schools and families in support of cancer awareness and research. Terry Fox stands as a symbol of resilience, compassion and selflessness for people of all ages.

A special thank-you goes to Larry Smith for generously donating T-shirts for all the students for a second year, helping make this event even more meaningful and memorable for everyone involved.

We also want to recognize the incredible efforts of our students, who walked and ran a mile in Fox's memory while reflecting on their importance of determination and helping others.

The dedication and teamwork shown by our students captured the spirit of Fox and his mission of hope for a better future.
