IV. Principal Report

Ed Den Beste, AC Elementary & AC/GC Junior High Principal

Reported having over half of the conferences done last week and finishing up this week.

JH students are working hard on the play "The Scene of the Driftless Swifter" that will be on March 17th at 6:00pm.

Assembly on Friday to kick off the Fund Raiser for the elementary with the American Heart group. The new stage mats were installed and look great. We also put in a handicap toilet into the JH women's restroom. The roofers were out again with the warranty group to look at things.

Tandem Eischeid, GC Elementary Principal

Still working on conferences to be completed this week due to weather last week. Just hired some new amazing people to the Elementary staff. Presbyterian Church just donated a piano to the Elementary school.

Cody Matthewson, AC/GC High School Principal

Administrative Nutrition review was last week - everything went fairly well. Staff discussed upcoming schedule for the year.

Notice

Track season started this week. Great showing at the state wrestling and All State Speech this last weekend. Staff & Booster club to work together regarding upcoming Ragbrai event.

Senior Trip - March 15-22nd

Trying to figure out how to get higher attendance at HS conferences.

V. Superintendent Report

Josh Rasmussen, Superintendent

Reviewing candidates this week to line up interviews for Head Football Coach and Activities Director. HS Principal interviews will take place at the end of the 1st or 2nd week of March.

Mr. Rasmussen updated the board on the maintenance projects going on in each building.

This week's action at the Capitol has the Senate supporting a 1.75% SSA increase, with the House sending back a 2.0% increase for the Senate to approve. He expects a 2.0% SSA increase to head to the Governor's desk sometime this week. Senate Study bill 3146, which renews Whole Grade Sharing and Reorganization incentives, did make it through the funnel deadline, and hopefully it makes it to the finish line this legislative session.
