I wonder what the kids are thinking?

Cremation? Funeral? Cemetery? Urn?

Guest Speaker

We're hosting a special event for parents and adult children, and we hope you can join us.

In every family, things may be left unsaid to avoid conflict or because no one wants to be the one to bring it up.

This program is designed to help you get the conversation started.

Attend with a friend or family member, enjoy some snacks and treats, and listen to our presenters, who will provide you with several good ideas to help avoid misunderstandings, prevent conflict, and provide peace of mind.

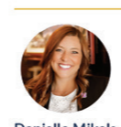

This informational program designed to educate the community. No products will be sold and no obligation will be created.

FUNERAL & CREMATION PLANNING
Pat Zaluskus, Laker Planning Service, has been helping people plan funerals, cremations and memorials for over 35 years. He will cover a wide range of funeral-related topics. Very informative and often entertaining. Pat will discuss funeral costs, cremation practices, "green" options, obituaries, headstones, celebrations of life, Medicaid (Title 19) spend down rules, Iowa guidelines for prepaid funerals, and more. He will also take the time to address any question you may have that weren't answered during his presentation.

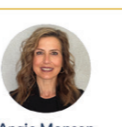

GRIEF & HEALING
Janet Brus, RN & Program Director with Senior Life Solutions, will discuss the many forms of grief and its common causes, like death, relocation, job loss, or financial setbacks. Learn how grief impacts older adults, discover potential paths to healing, and find out about community resources.
